

## **NEW ENGLAND DRUM RUNNERS SPONSORSHIP 2026**

To Whom It May Concern,

I am writing to you on behalf of the New England Drum Runners (Barrel racing club) to request your support and sponsorship for our newly established club located in Bundarra, NSW. We are seeking assistance to promote our events, along with promoting local businesses across the region, we believe that your company's sponsorship would be greatly beneficial to our events and competitors.

Your business would have the opportunity to gain exposure and increase brand awareness to not only our competitors but others who come and spectate at our events. We would promote your company in a range of ways, our social media platforms including facebook and tic toc, via our website with a link to website or facebook page and mentions of the company during events. Additionally, we would hang banners around our arena to promote your business and offer you to have a pop-up shop at our event should you wish to promote your product.

Being very aware of the current economic climate we are open to various sponsorship options, whether it be on a financial level or a donation of usable goods. Should there be a particular prize that you would be interested in please feel free to contact us via email at [newenglanddrumrunners@gmail.com](mailto:newenglanddrumrunners@gmail.com) to discuss with her the options that are available.

Any support you and your company can provide will be greatly appreciated and will help us in our mission to grow our club the New England Drum Runners as a fun, family friendly group that is supporting not only new comers to the sport of barrel racing but those competitors who have been riding for many years in the sport.

Our home grounds are located in Bundarra NSW where we utilise the showgrounds on a monthly basis to host riders from across the New England, North Coast and other areas who travel to attend the two day events we hold.

Should you wish to have further information regarding sponsorship or our events please contact us on the numbers provided below. We look forward to hearing from you.

Kind regards,

Shane Webb  
President
